Rockies vs. D-backs

PERFORMANCE INFORMATION:

3:00PM: Gates to Chase Field Open. All performers should proceed to Gate J located on the east side of the ballpark, under the 7th Street bridge.

3:15PM: A pre-game rehearsal, run by Michele Staples of the AIA, will begin. This will be outside. Bring plenty of water to stay hydrated.

3:50PM: All performers will line up to take the field at this time. Food and drink will not be allowed onto the field. Please dispose of any before lining up. All performers will be directed onto the field by D-backs representatives. If you are not in your designated area at this time, you will be unable to participate.

Approx. 4:15PM: Performers will move on to the field (after batting practice ends) for the performance. The performance will be on the outfield warning track (dirt area). Performers will face home plate and will be shown on the Chase Field scoreboard, dbTV.

5:10PM: First Pitch

PERFORMANCE NOTES:

- All performers MUST have a signed waiver form in order to be on the field. Those who do not have a signed waiver will not be allowed to participate.
- Only performers, coaches and chaperones will be allowed on the field. All parents, friends, and family MUST remain in the stands during the performance.
- Performers must stay on the warning track and off the grass at all times.
- With the large number of performers, we will need the help of all group leaders to maintain etiquette during the rehearsal and performance. Performers should not be talking during the rehearsal or on the field, prior to the performance.
- Those wishing to watch the performance may move to other locations in the stands, as long as they are not interfering with other fans that have tickets to those seats.
- Large bags or items that exceed 10" x 13" x 16" in dimension will not be allowed into the ballpark. Performers should leave all bags and purses with their parents/guardians during the performance.
- For close-up shots of the dancers, parents may want to take them while their children are shown on the dbTV screen.
